EXCLUSIVE!

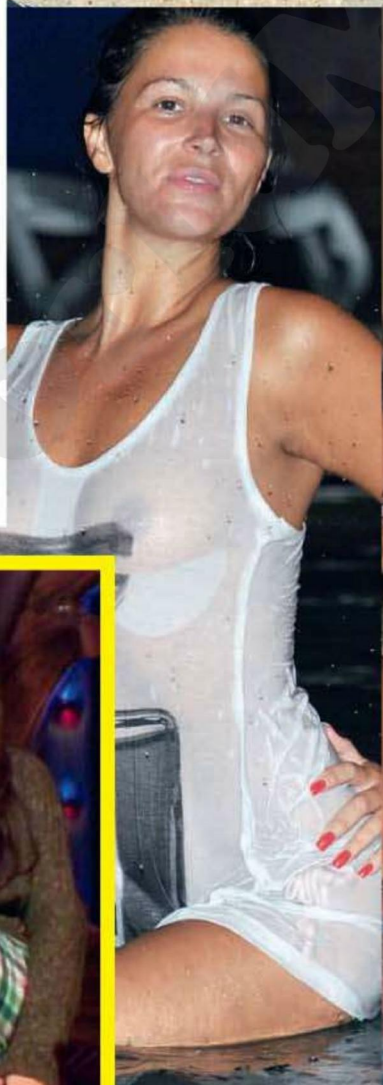

Natasha Giggs topless!

It's the **CBB** star in her birthday suit!

NATASHA GIGGS has had an "interesting" time in the *Celebrity Big Brother* house. She's had to dress like Pinocchio (because *Playboy* bunny Karissa Shannon decided she was the "biggest liar". Ouch!) while repelling the advances of goggle-eyed Essex boy Kirk Norcross.

But not once did she take advantage of an outdoor Jacuzzi to evict her bikini. Luckily, we've found some snaps of Natasha taken at a naughty pool party in Majorca. And the hot blonde on the right? Her sister! Poor Ryan must've been spoiled for choice!

NEW BOOBS!

Georgia Salpa's sexy snaps!

The *Celeb BB* star steps into some saucy undies!

THE UNSEEMLY

revelling we did in our lounge when Georgia was spared eviction in last week's *Celebrity Big Brother* would definitely have earned us a yellow for "extravagant celebration".

But as these shots prove, Georgia's without question the hottest girl ever to grace a fake house in Borehamwood, so the longer she stays in, the better. More excuses to run pics like these, see. And trust us, we'll find them. We're like some amateurishly oiled girl-finding machine!

Nuts NEWS

A full-page photograph of a woman with long, dark, wavy hair, wearing a black lace bra and matching lace underwear. She is posing with one hand on her hip and the other resting on a surface. The background is a solid red color.

The wisdom of Georgia!

GEORGIA ON... HOW SHE GOT INTO MODELLING

"It was something I just fell into. When I was about 14, someone came up to me in the street and asked me if I'd thought about becoming a model. I was in school at the time though, so I only really started doing it full time about a year and a half ago."

GEORGIA ON... UNDIES!

"I actually feel like I'm more comfortable in my underwear now than I am in normal clothes, I'm so used to being in skimpy stuff. When I started out, I'd have been a bit more shy, but now I think, 'It's just work,' and I'm completely comfortable wearing that sort of stuff."

GEORGIA ON... HER IDEAL MAN!

"I don't like guys who are cocky and like to show off. I like guys who are laid back and not into their looks. I like scruffy guys, not guys who are always doing their hair or who wear lots of hair gel and stuff like that."

GEORGIA ON... HER DRIVING!

"The Greeks are crazy drivers! I'd rather be a safe driver but I've already noticed my instructor keeps telling me to lay off the accelerator, so I guess there's a little bit of that Greek driver in me!"

GEORGIA ON... HER FAVOURITE JOKE!

"Why does Snoop Dogg always carry an umbrella? For drizzle!"

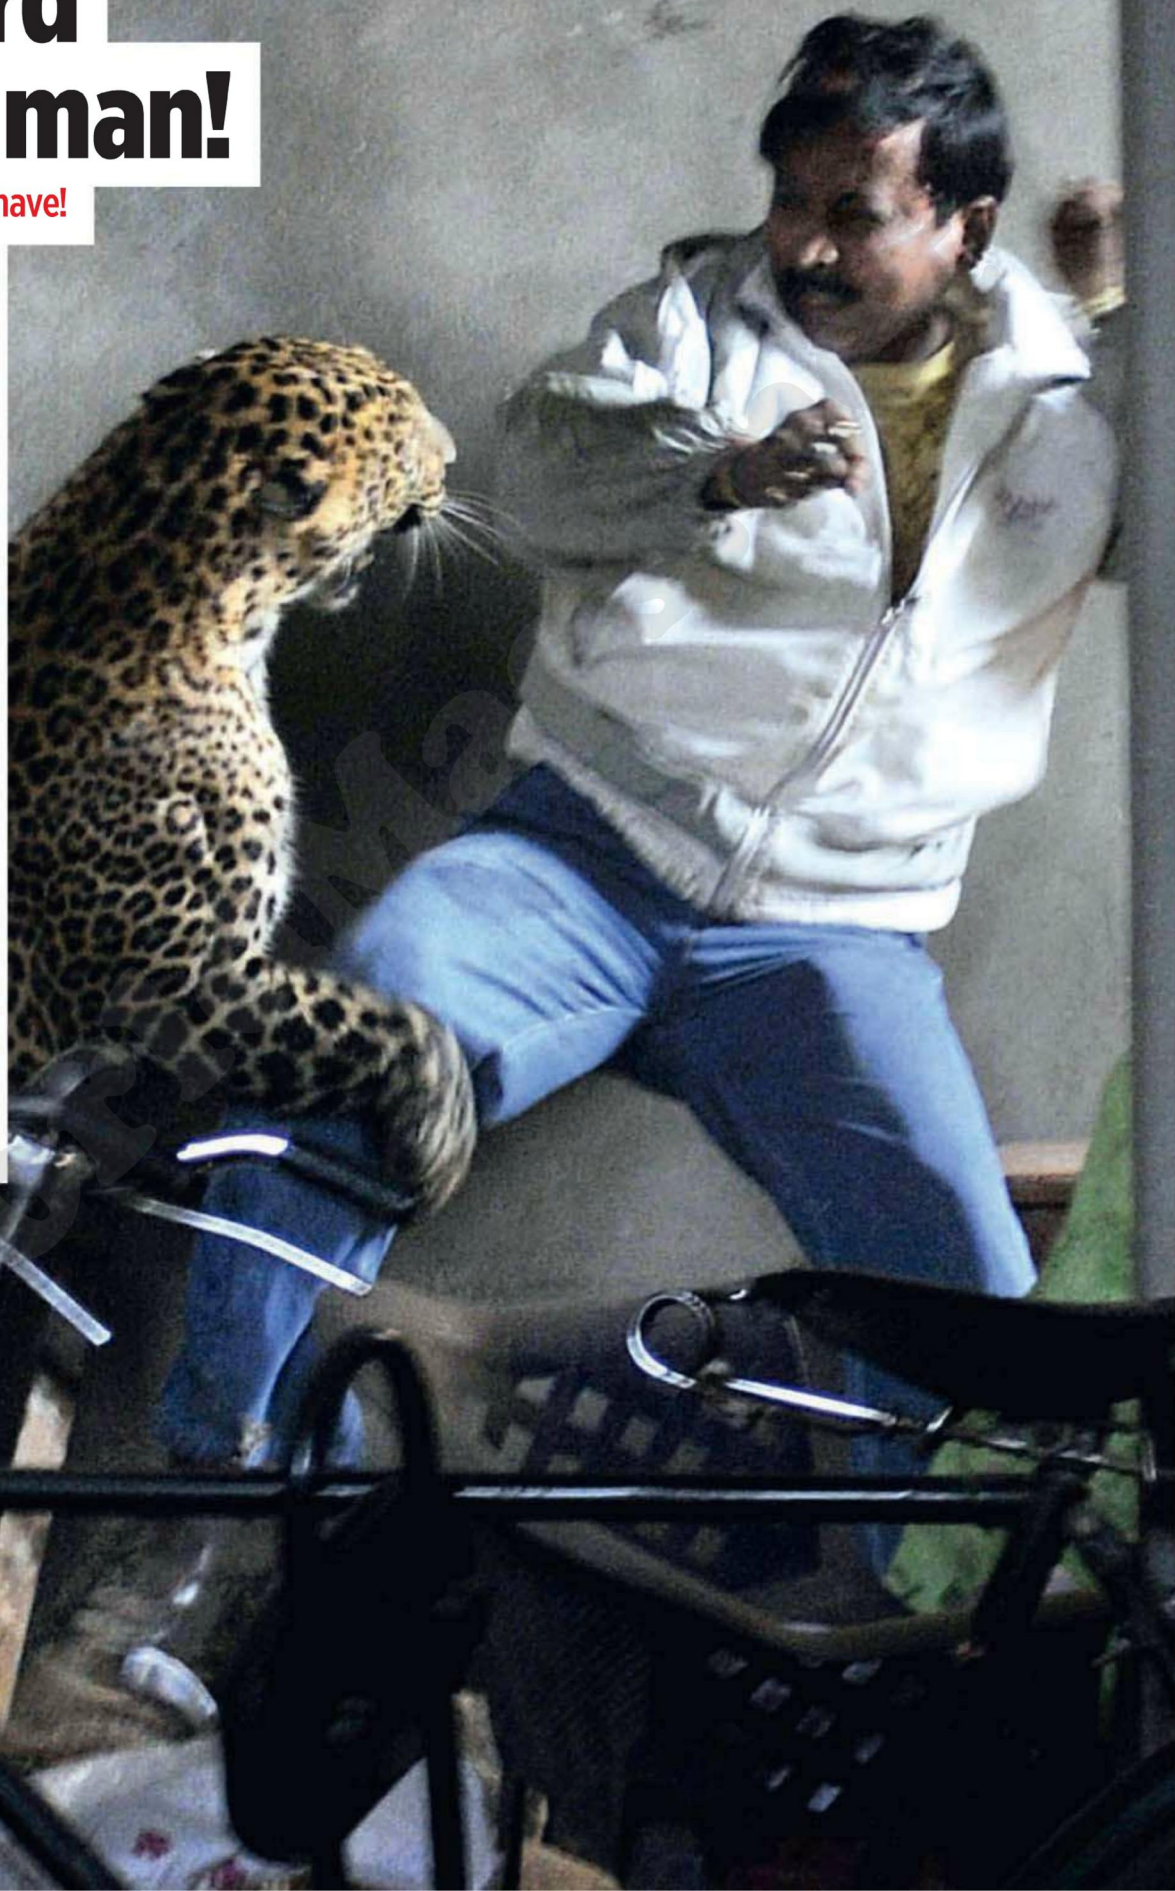

Leopard scalps man!

Indian chap's close shave!

➔ WHEN WE pop into town for a pie and a Kit-Kat, the only risk we run is that of a particularly pesky charity "chugger", or an over-frothy latte. So pity this poor chap from Gauhati in India, who disturbed a grumpy leopard that had wandered into town.

It all went downhill from there for as the bloke tried to scarper a bit sharpish (hey, who among us wouldn't?), the peeved pussy slung a razor-sharp clawed front paw and scalped him, taking off the top of his head. Clean as a whistle.

The vexed feline injured four other people before eventually being tranquilised and dropped off at the state zoological park, while our man here presumably got himself all sewn up in casualty after his hair-raising incident.

"Morning! Have you ever considered giving to charity?"

"I'll be OK, ref -
it's only a graze"

"Oh, sorry! Didn't
recognise you
there, Rooney!"

Leopard facts!

- They might be the smallest of the "big four" cats (after lion, tiger and jaguar), but leopards can grow up to 1.7m head-to-body and weigh 15 stone.
- Don't think you'll outrun them, either, as leopards can run at up to 36mph. Usain Bolt hits 27mph at top whack.
- They're also skilled and natural tree climbers. So you can strike that escape route off, too.
- They'll eat anything they kill - at least 92 prey species have been documented in their diet.
- Fit leopards don't hunt humans, it's only injured ones that put us on the menu. The most notorious was the "Leopard of Panar", thought to have killed over 400 people in Northern India.

FALCON F7

From tuning firm Falcon Motorsports, and with carbon fibre bodywork and aluminium chassis, the F7 weighs 1,263kg (222kg less than a Ferrari 458) and brings 620bhp to the party. **620bhp • 0-62 in 3.5 secs • top speed 190mph+ • £150k**

The coolest cars of 2012!

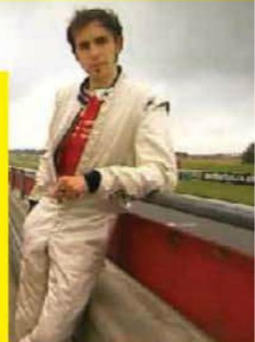

Picked by our man fresh from the floor of this year's Detroit Motor Show!

THE NORTH American International Auto Show – to give the Detroit car bash its more pedestrian actual moniker – has been pimping American speedy metal in one way or another since 1907. Last week, it booked out a million square feet of four-wheeled treats. But it wasn't Yank motors that stole the headlines, but a Lexus and a Honda from the Far East...

OUR CAR MAN!

When Jonny Smith isn't writing for us, he drives cars quickly for Channel 5's *Fifth Gear*!

LEXUS LF-LC

This coupé concept is Lexus' answer to the Aston DB9. And it's crammed with tech: two 12.3in LCD screens instead of conventional dash gauges, and touch pads instead of switches. **439bhp • 0-62 in 3.9 secs • top speed 190mph • price £130k**

MERCEDES SL

This sixth-gen model of the folding-roof roadster has been to the nose clinic. It's 140kg lighter, more powerful and more economical. It gets two turbos and 32 per cent more torque.
435bhp • 0-62 in 4.6 secs • top speed 155mph • £75k

HONDA NSX

Honda's mid-motored supercar returns with a 4WD system where the front wheels are driven by leccy power, while the rear gets its grunt via a rumoured 3.5-litre V6 petrol engine.
400bhp • 0-62 in 3.5 secs • top speed 205mph • £75k

For more amazing cars, turn this way...

CHEVROLET CODE 130R CONCEPT

Chevy builds a baby Camaro! The Code is intended for the 80 million younger drivers in the US, but don't worry – it has a bit of poke and steers from the rear. Bring it to the UK, guys!

150bhp • 0-62 in 8.5 secs • top speed 130mph • £16k

AUDI Q3 VAIL CONCEPT

Just as the Q5 is the baby Q7, this Q3 is a shrunk Q5. Featuring a snorting 310bhp engine, hallmark Quattro 4WD and flared arches, this is the ultimate ride for a ski trip.

310bhp • 0-62 in 5.5 secs • top speed 163mph • £40k

MINI ROADSTER

Making its production debut, the Roadster is a strict two-seater with rear luggage space. A basic fabric roof that's manually operated even does away with electric assistance.

184bhp • 0-62 in 7.0 secs • top speed 141mph • £18k

PORSCHE 911 CARRERA S CABRIOLET

The fabric lid can be dropped or raised in 13 seconds flat, up to speeds of 31mph. The roof also uses a trick magnesium frame to cheat the scales. Engines are the same as the coupé.

393bhp • 0-62 in 4.7 secs • top speed 186mph • £90k

HYUNDAI GENESIS

With Toyota's GT86 and Subaru's BRZ coupés making rear-wheel drive cool again, Hyundai enters the drift party with a 3.8-litre V6, to compete with Nissan's 370Z skid machine.

343bhp • 0-62 in 5.0 secs • top speed 155 • £29k

SMART FOR-US

It's midget small (3.5 metres) but carries two electric scooters in the load bay, docked to charge when you juice the car up. This concept is electric but a petrol version is expected.

74bhp • 0-62 in 12.0 secs • top speed 75mph • £TBC

BENTLEY CONTINENTAL GT V8

Under the bonnet, this "eco" version of the GT has lost four cylinders but gained two turbos. This improves mpg by 40 per cent, but it's almost as fast as its 6.0-litre W12-engined brother!

500bhp • 0-62 in 4.8 secs • top speed 188mph • price £110k

VW E-BUGSTER

Behold, a Muscle Bug! The Beetle becomes a speedster with chopped down windscreen and wide arches. It's a fully electric concept, with 110-mile range and charges in just 35 minutes.

85kW • 0-62 in 10.9 secs • top speed 120mph • £TBC

CLOSE-QUARTERS COMBAT

Agent 47 is a close-quarters specialist. We saw him stick a fire axe in the skull of one hapless henchman, slice and dice another one, then throw it bang into the face of a third enemy across the room. Sweet!

Hitman: Absolution— first look!

It's the return of
the hair-free killer!

SINCE 2000,
baldy, impassive
contract killer

Agent 47 has been killing
stylishly for money on
console and PC. So we're
very excited about the
upcoming fifth game.

We saw this orphanage
level, played stealthily,
then much like it was
Call Of Duty. Both worked
beautifully, and revved
our excitement engines
for its Xbox 360 and
PS3 launch at Christmas.

WORDS: RORY BUCKERIDGE

USE THE ENVIRONMENT

If you can pick it up, you can kill someone
with it, is a pleasing maxim of *Hitman*.
This includes syringes, broken glass and,
in one earlier level a bong used for smoking
weed, right to the cranium!

ALL GUNS BLAZING

As an alternative to stealth, you can pile
through missions blasting anything that
moves and causing mayhem. Both gameplay
styles have their own merits and challenges.
It's entirely up to you which one you go for.

KILLER INSTINCT

A new gameplay thing is "instinct". Silent takedowns power it up and enable you to see where enemies will walk to avoid them or slow time to target body parts or explosives if you're taking a direct approach.

**MASTER OF DISGUISE**

Hitman can still dress up in the clothes of any enemy he takes out, to blend in with the other bad guys unnoticed and pass safely through goon-filled areas.

TAKING THE STEALTH ROUTE

Hide downed enemies in wardrobes, storage areas or even plastic ball pits to ensure your presence isn't detected. Avoiding a fight is often the best way of ensuring your survival.

A quick word with Jonah Hill!

The ex-fatty on drinking beer, losing weight and his hot baby-sitter!

➔ Hi Jonah! Your fellow actor chum Seth Rogen told us that he smokes weed to get his creative juices flowing... Ha-ha! That's funny!

So, what do you do when you need a bit of inspiration?

Now that I've become healthier, I find exercising helps me be creative and clears my head – if I run or something, or work out.

You get that runner's high?

Yeah, I guess so. I get just a clarity. I get an energy. You know when you work out and you feel like, "Oh man, I feel good, I feel inspired, I feel interesting thoughts coming." It wipes clean all the worries of the day, and then you can have this blank canvas.

You'd recommend exercise over smoking weed?

Well, to each their own. Seth's doing pretty well!

How did you lose all that weight? Please tell us it wasn't boring stuff like eating less and exercising more? Surely there was a liver bypass? Or an actual deal with Beelzebub?

I just do push-ups and sit-ups and exercise DVDs. And I try not to eat bad stuff. But I can't give up beer. That's still my thing. I wish I could. I would literally be, like, "I could get off those last few pounds if I gave up beer!" But I can't. I love it.

Having been a funny fat man, and a funny thin man. Can you answer the question once and for all: which man gets more lady action?

I do not know the answer to that question.

But which gets more attention? Women always say they want a guy with a sense of humour, but do they really want a funny fella, or do they actually want a guy with a six-pack?

I don't know. I'm not a woman!

Hmm, OK. Moving on. How do you feel about seeing yourself on screen now? You're still on the large side in your new movie, *The Sitter*.

It's always weird to watch yourself on screen, no matter what your appearance is. There was one bizarre moment when I went to see a movie recently, they had a preview for *The Sitter*, then the next preview was for *21 Jump Street*, and I looked very different in the two trailers.

In *The Sitter*, you play a baby-sitter, unsurprisingly. What was your own baby-sitter like when you were a kid?

Yeah, she was cool. Her mum worked for my dad and she turned me on to some good music, like [oldie American rock bands] The Pixies and Black Flag – she was into punk music. I had a crush on her.

Ha-ha! Doesn't every guy have a crush on his baby-sitter?

Yeah, she was pretty. She was pretty. Jill... She's married now. And has kids and everything.

Were you a rebel as a kid?

I was a troublemaker, definitely. I stirred the pot. Just general misbehaving. I was bad. The other kids' mums didn't want them hanging out with me. My mum makes fun of me because I did a lot of bad stuff, but I always got caught, so I always served the time for the crime. I never got away with anything. I always got busted.

How was working with kids?

They were fun. It's nice to work with actors who are happy to show up on set every day. They liked being in a movie. A lot of people forget why they got into this business and that it's supposed to be fun. It's a job we're lucky to have.

You recently hooked up with Sam Worthington to do a *Call Of Duty* promo. Was that the best job of all time ever?

Yeah, Sam Worthington and

I did that, and Peter Berg directed it. It was so fun. It's the guy version of getting the Chanel campaign. It's like the number one. It's literally the highest-selling product ever.

So are you any good at it?

I haven't played this one yet. I've been too busy.

● *The Sitter* is in cinemas on 20 January.

He has short brown hair and is looking slightly to the left of the camera with a slight smile. His right hand is raised in the foreground, with fingers slightly curled. A red diagonal graphic element is visible in the lower-left corner.

- **He’s best known for his leading roles in the hit comedy films *Get Him To The Greek* and *Superbad*.**
- **As well as *The Sitter*, this year Jonah will be starring alongside Brad Pitt in *Moneyball* – a role for which he has been nominated for a Golden Globe for Best Supporting Actor.**

She may read the news, but she's anything but depressing. It's a clear victory for the lady who makes your mornings!

Don't look!

The page that makes you go, 'Eurgh!'

"Er, when I said give him the finger..."

CHOPPED OFF!

ON THE MEND!

'My finger was sliced clean in half!'

Steel cable divides digit and sends finger flying!

FOR SAFETY
equipment installer Paul Travis, it was a routine check of some sturdy cables that spelled disaster for one of his digits.

"I noticed that one of the cables I was checking was snagged on a piece of metal and went to free it," recalls Oldham chap, Paul.

"Unfortunately, I didn't realise that a piece of steel had sliced most of my finger clean off!"

Paul only noticed the forlorn finger after it started to sting, so he popped it in his mouth. "Something strange was sticking in my tongue and when I looked, I saw it was my bone! Fortunately, there wasn't that much blood, as

I drank most of it – it just felt like a paper cut."

Surgeons had to trim the bone back to the joint, but Paul wasn't allowed to keep his devastated digit. "I told my wife I was going to put it around my neck on a chain, but she was a bit disgusted!"

Er, maybe stick to H Samuel this Valentine's Day, Paul!

"Not suitable for a funeral? It's black, isn't it?"

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

I can't sleep without sex!

If I don't have sex twice a day, I can't sleep. I've tried to explain this to my girlfriend, but she thinks I'm weird. What can I do?

JOSEPH via email

There are a number of possible remedies. Sex with you should be so attractive to her that she willingly does it twice a day or more. Are you doing all you can to please her in bed? If this isn't the problem, you could suggest bringing along another lady. Or you could have a blow-up doll handy. Or there's always sex for one!

My dog freaks me out!

Our dog watches us make love and it's ruining our sex life. At first it was quite amusing, but now it's just a distraction. What should I do?

LEE Bradford

LETTER OF THE WEEK!

I wear my girl's thongs!

After being dared to wear a thong for a day, I've started to wear them full-time. My girlfriend doesn't know that I borrow them, but they're really comfortable. I'm scared she'll find out and leave me. What can I do?

GARTH via email

I can't see why she should leave you because you wear a thong, though it is a ladies' thong and it is hers! Many women don't like other people borrowing their clothes. So, why don't you get yourself some of those masculine thongs? Also, to make certain she'll like them, why not have her name embroidered on the front section?

I think your question is disingenuous as it's perfectly obvious that you can just shut your dog out of the bedroom while you and your girlfriend get down to business – unless, of course, you all live in one room. However, I suspect

there's more here than meets the eye. You said that it was quite amusing at first. Which of you had the idea of having the dog along? Other couples choose hamsters and there's a famous case of a threesome with an orang-utan. So, don't

fuss and make the most of the situation. (I am, of course, joking, boys! What an utterly ridiculous question, Lee!)

She gets so jealous!

My missus is so possessive.

If she catches me even chatting to another girl she goes off the rails at me. What should I do?

ROB Preston

Some women can be rather extreme in this way, but it can also be quite flattering, within reason. When you're with her, make sure you pay lots of attention to her, especially with other girls around. Easy.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p70.

Heaven can wait

THE QUEEN and Katie Price die on the same day. An angel meets them at Heaven’s gates and tells them there’s only room for one more.

“Why should you get in?” he asks Katie Price.

Price takes off her top and says, “These are the most perfect boobs God ever created and I’m sure it’ll please him to see them every day!”

“And you?” the angel asks the Queen.

Her Majesty goes to the toilet, does a wee and pulls the lever. She’s then admitted to Heaven.

“Sorry,” the angel tells Price. “A royal flush beats a pair, no matter how big they are!”

Emma

Hi girls! How does it feel to be shooting together again?

Leah: It feels really great,

thanks! Today's all about reunions for me 'cos I haven't seen Glover in so long, so we're going to rekindle our love on camera for you.

Emma: Yep. It's all very exciting and, hopefully, we'll be getting you all excited about January.

Have you found out anything new or surprising about each other recently?

Emma: Well, Leah's boobs certainly look better than ever, don't they? I'm constantly finding out surprising stuff about Leah – some of it's too rude to say. The last time we did a shoot together, it had a bondage theme and Leah turned up with a bag of her own naughty props!

Leah: You're just as bad! Once we were staying in a hotel, and for some reason we had a 25in rubber willy that we were chasing each other around with. That's when I found out Emma was a bit frisky.

What was the last thing that really made you chuckle?

Leah: Oh my god! I watched this thing on YouTube that made me pee my pants. There were some soldiers teasing this chimpanzee, but it managed to get hold of an AK-47 and was spraying [bullets] everywhere. Fortunately, no one got hurt, but it was so funny to watch everyone panic. Ha-ha!

Emma: We all went out for India Reynolds' birthday. She got a bit drunk and fell asleep, so we drew rude things all over her face. I have pictures...

I should send them in to *Nuts*. She fell asleep on my boobs.

Leah: Everyone falls asleep on your boobs, Glover.

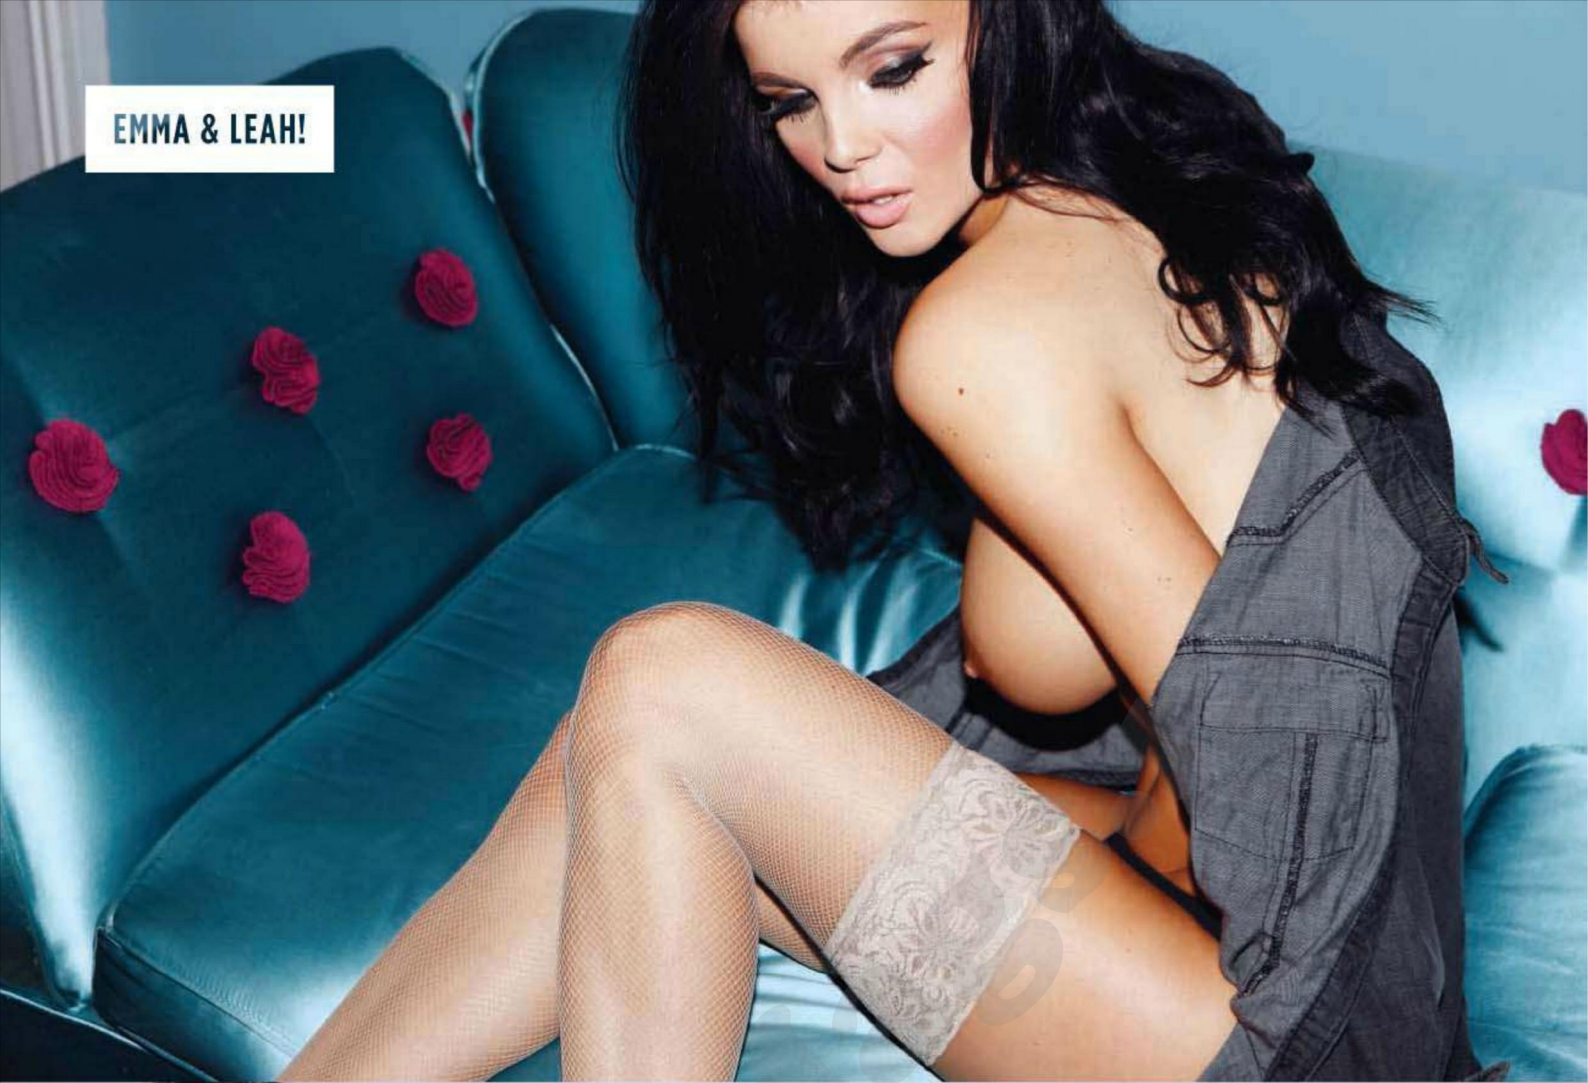

You two are both big on Twitter, but who do you follow?

Leah: I follow the Dalai Lama, 'cos he has a verified account.

Emma: Joey Barton. Some of

his opinions are a bit, er, vocal. He doesn't like the *TOWIE* lot much, does he? In fact, I don't think he likes reality TV in general. I'd like to know what he makes of us *Nuts* girls. Maybe I should tweet him. Leah: Who is he?

So, what's been getting on your nerves recently?

Emma: The lack of snow at Christmas really got on my nerves. We always have a day around about now or in February where everything grinds to a halt, but never when everyone's off for Christmas.

Leah: Politicians and fuel prices get on my nerves. I wish we could be in charge for the day.

What would you change if you were both running the country?

Emma: We'd never work on Mondays, so three-day weekends, and we'd be far more relaxed about boobs as a nation.

Leah: Oh my god! There are so many do-gooders out there – they're constipating our country.

Emma: Yeah, if the people embraced the boobness, we'd all be much happier.

Leah: Look at the Italians, they're all having sex willy-nilly and they look much happier. Even their old prime minister was always at it. It's no wonder they live longer in the Med. This country is so sexually frustrated.

Emma: Britain needs to get laid! That'd be our tagline.

Crikey! Finally, who are you really admiring in 2012?

Leah: Jessie J. She's a perfect role model for women. She writes her own lyrics, she looks great and I like that she's very open about her sexuality. She's like, "Yeah, I'm into girls but so what?" It's not a big deal, is it?

Emma: I'm admiring Beyoncé. She had an amazing 2011 and she has a perfect bum. But, above everyone, I love Katy Perry. I saw a programme on her and now I'm seriously in love. It's a shame about her and Russell Brand, they were a cute couple, but she's just so fit and super-talented. ❌

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Would you let Cheryl Cole kip indefinitely on your couch even if she couldn't pay you any rent?

I'd let Cheryl Cole kip absolutely anywhere in my house for zero cost. I'd cook for her and everything!

What's 8 x 7?

Well, seven sevens are 49, so eight sevens are 56. [Correct! - Maths Ed]

What's the longest you've ever gone without leaving the house?

When I'm sick, I'm normally sick for a week but I usually force myself out on the sixth day. So, maybe five days

indoors, wrapped up, sweating it out.

Does your mum think you should get a proper job?

Ha! See my mum, yeah? She's just cool, man. She had me when she was 20, so she's kind of like in touch with what's good and all that. I think my dad kind of wanted me to be some kind of doctor or something. But them jobs are boring.

If you could be stuck on a desert island with one girl, who would you chose?

Rihanna times a million. Rihanna to the world, mate. Stuck on an island with Rihanna!

Do you have smelly feet?

Nope! Do you wanna check? I definitely don't have smelly feet. Some people don't change their socks every day - I don't understand that. I change

my socks every time I shower. So, if I shower twice in a day, that's two pairs of socks in one day.

What were you like when you were at school?

At school I had slight behaviour difficulties, just like I think every human being had. I was extremely smart, got excluded a couple of times and ended up out of one school and in another. But I got four Bs and five As in my GCSEs and I did my A levels, so I did alright.

Would you rather have a llama in your house that hogged the TV remote and ate all your food or have to drive everywhere on a really, really slow yak?

I'd go on a camel ride. I'd rather do that one.

Would you drown a cat if your dog's life absolutely depended on it?

I hate all animals. They can both die!

What would you rather have - a fridge that did all your shopping for you or a toilet that could talk?

A toilet that could talk. Sometimes, when you use the toilet, you're reading

magazines and talking to yourself. So, if it could talk back, it'd be cool.

What have you got in your pockets right now?

Keys, BB and a wallet.

What's the meaning of life if indeed life has a meaning?

I think life's a journey and everyone dies in the end. I also think some people are born and die. And I think some people are born, make a slight difference, and die. Hopefully, I'm on that list.

If you could time travel to any period in history, where would you go?

I'd go back to year nine and I'd make Claudia my girlfriend.

Can you cook?

I'm an amazing cook. I can cook whatever. I'm pretty amazing with a piece of chicken. Barbecue chicken, fried chicken, whatever.

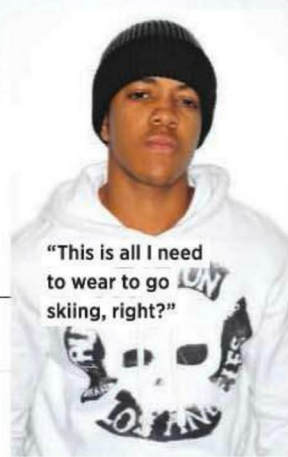

How many girls have you kissed?

I've lost count!

Ex-Mossad agent Viktor Ostrovsky talks to *Nuts*

Israel

Aviv

Hi Viktor. You were a field officer for Israel's national intelligence agency Mossad in the '80s, working undercover around the world, gathering info on

Israel's enemies. How were you recruited?

I was Lieutenant Commander with the Israeli Navy, and given that I'm of Canadian origin, I spoke English fairly well. I was also willing to do anything I was asked, so they asked me to join and I agreed. Basically, they scan through the military records, and there's a series of flags that come up as you progress through your career and gain various skills. It's hard to say what those flags are, but when the required number show on your record, they'll ask you in, interview you, test you, and ask if you want to work for the security of your country. They don't mention the name of the agency, of course – you just kind of know what you're getting into.

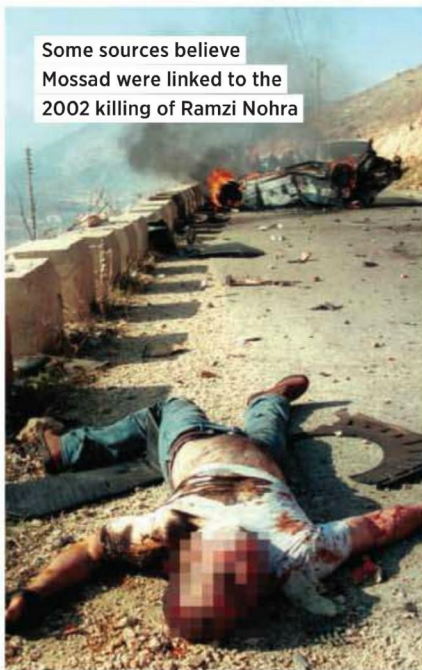

We've read that a Mossad cadet will experience more action, more pure terror and more physical assault during training than many Special Forces operatives will in the course of an entire career, so what's the training regime actually like?

I'd say that's fairly accurate. I trained for 17 months, and in that time, I trained with Special Forces – Israeli Navy Seals, specifically. I had to do everything they did. The difference between the two is that when you go on a mission with Special Forces, you have an exit strategy. When you're doing this kind of work for Mossad, you don't have that. You can't plan. It's part of combat to attack and fire and be shot at. Agreed, it's scary, but you're typically marching on an enemy with a unit and you're armed and you know what's coming. When you're doing my kind of work, you're on the edge – there's no rope, there's no safety net. If you get taken in and questioned, you're by yourself. It's complete vulnerability.

And were you ever caught?

I was never exposed. I don't think any Mossad guy has ever fallen. But I did have a nail pulled out by the Jordanian intelligence service, and it was no fun. First, they put a little injection of air under the nail, and it starts to separate the flesh away from underneath. It's excruciatingly painful, and it flips your nail upwards. That's when they begin playing with it. It sounds like a little thing, but the threat's explicit – once we're done with this one, we're on to the next, and the next. What was going through my mind was if I admit to

Some sources believe Mossad were linked to the 2002 killing of Ramzi Nohra

anything, they're only going to go further. So, I just had to convince them that they were wrong, that they had the wrong guy, and to make them feel bad about what they were doing. Yeah, I was crying and screaming, but it wasn't as if they were playing with my d'ck!

In the movie *The Debt*, the Mossad agents lead a pretty intense life. What was everyday life like for you?

I was an attack-case officer, and this would involve recruiting targets and getting information from them. So, let's say a suitable target might be an Air Force Liaison Officer from the Syrian embassy in London. First, there would be a huge intelligence gathering operation, during which time we'd work out his routine. Then we'd bug his house and find out how he thought and how he worked, and this would provide us with his "hook". People are generally motivated by one of three hooks – greed, revenge or sex – and once you've worked out what that is, you can make your approach.

What happens next?

The trick is to get them to make the first move, so if they ever think back to when they first met you, they'll think it was their idea. So, you and another agent would sit either side of your target at a bar and have a conversation with each other, mentioning points of interest that you know are irresistible to your mark. He'll soon join in. We had one guy who was mad about chess, and we placed an agent in his hotel

lobby day after day playing chess with himself. The guy walked past countless times before he said, "Can I make a suggestion?" After that, we had him.

Who would you recruit?

For a start, I should explain that everybody's recruitable. You could sell out your own country to me and you wouldn't even know you're doing it. We'd recruit all sorts of people from surprising places – nurses, delivery workers, even laundry guys. If a country's going to war, say, there are things that need to happen first – hospital beds need to be emptied, bandages need to be stockpiled – and we need to know if this is happening. If it's not, but our embassy officer contact says otherwise, we know he's talking bullsh*t.

How many aliases did you have?

Plenty, although I never said I was a dentist. Say that and everyone on the planet wants to show you their mouth!

What's the closest you've come to death?

There was a guy in Jordan who put a gun to my head and said, "We know your game." Funnily enough, the first thought that went through my head was that the gun wasn't cold like they said it would be in books! And then I noticed that this guy was on my right, and yet his second in command was on my left. If he was going to shoot me, he was going to shoot his buddy too, so I kind of knew he was bluffing. I never did fear for my life, come to think of it. As the saying goes, "The coward dies a thousand times, but the brave guy dies only once." ✕

● **Star-studded action thriller**

The Debt tells the exciting tale of revenge and retribution among three Mossad agents. It's released on Blu-ray and DVD on 23 January.

What is Mossad?

☆ Formed in 1949, Israel's foreign intelligence service is, according to Viktor, "Kind of like the CIA, but with a KGB attitude."

☆ **Officially, the service has two main goals – one is gathering intelligence, the other is special operations (carrying out military and semi-military operations that are beyond the reach of diplomacy).**

☆ Unofficially, Mossad is suspected of employing assassination agents ("Blue and Whites").

☆ **Agents often visit secret "safe houses" where they can meet their assigned station chief to pass on information.**

☆ In 2010, Egypt claimed that Mossad were behind the shark attacks in Sharm el-Sheikh – an allegation denied by Israel.

IT'S JORGIE!

EXCLUSIVE!

Jorgie Porter!

From *Hollyoaks* hottie to sexy skater, the *Dancing On Ice* star is set to have a super-cool 2012!

ON THE SHOW!

Jorgie is already the bookmakers favourite to win this year's *Dancing On Ice* crown.

IT'S JORGIE!

“There are loads of sexy new cast members in *Hollyoaks*!”

Hi Jorgie! Happy New Year! How's it all going?

Everything's really good, thanks! I'm

super-excited with all the *Dancing On Ice* stuff – it's a bit unreal and it's not even clicked yet that I'm doing it. It's been about four months of training, which is really hard.

Some of your old *Hollyoaks* pals have done *Dancing On Ice* before. Did they convince you?

Well, Chris Fountain's in *Corrie* now, so I don't see him any more, but there's Kieron Richardson and Jen Metcalfe who were, like, "You're going to love it. It's going to be the best experience of your life!" They really miss it.

Can you do any cool tricks yet?

Oh my god! I've been doing lifts, I can go backwards... spins sometimes, if I'm having a good day. I was like Bambi when I first hit the ice, and the only way I could stop was to run into a barrier. But now I'm skill!

Do you fancy your chances against the likes of Heidi Range and Jennifer Ellison?

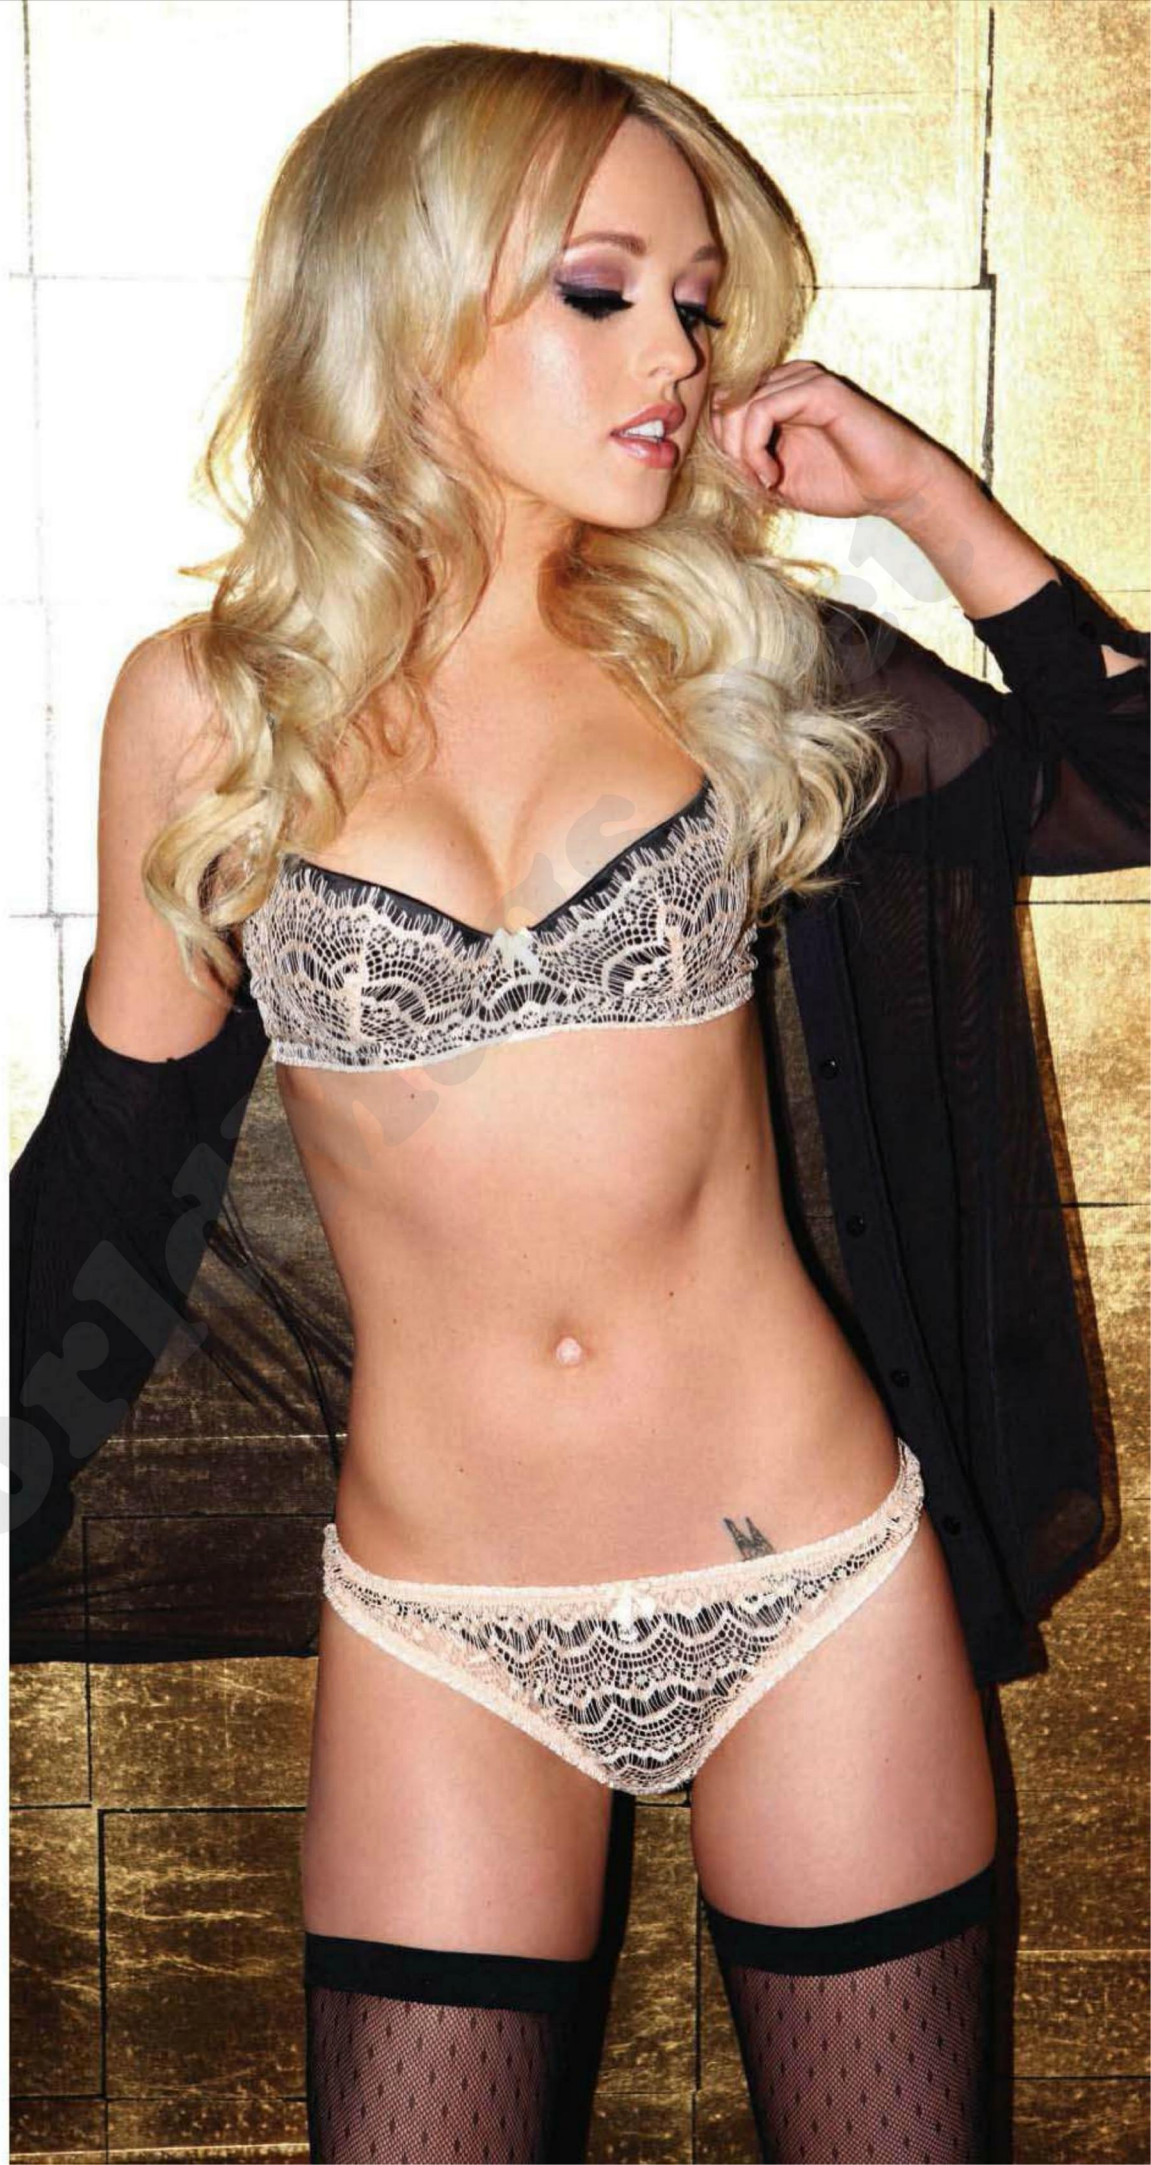

To be honest, I don't put myself in there for winning. I like to hope I'd get somewhere, though. I've been watching *Blades Of Glory*, so I just hope I don't decapitate someone.

What else are you looking forward to about 2012?

Obviously, *Dancing On Ice* is going to be huge, but I'm looking forward to having lots of new storylines in *Hollyoaks* – there are loads of sexy new cast members coming in, so that means lots of new friends.

Is it weird getting a new group of people to work with?

Yeah, it really is because it's like we're mourning a group of friends who've just left, so when the new people come in we're a bit reserved. It's like, "You could possibly be my new potential mate, or not. I don't know yet!" But then ►

A blonde woman with long, wavy hair is posing against a wall made of large, square, gold-colored tiles. She is wearing a black lace strapless bra, black lace underwear, and black fishnet stockings. She is also wearing black high-heeled sandals. Her right arm is raised and resting on the wall behind her, and her left hand is near her shoulder. She is looking directly at the camera with a slight smile.

IT'S JORGIE!

**“If you fancy
a girl, go and
talk to her –
try to make
her laugh!”**

afterwards, it's all the parties and stuff, and that's when everyone really gets to know each other.

When was the last amazing night you had with the *Hollyoaks* girls, then?

Well, it hasn't been for a while because I've been in training. I need a good night out.

Now that you're on the telly, do blokes try to chat you up or are they still too scared?

Well, that's the thing. I never usually get hit on by guys whenever I go out. Nobody ever comes up to me and goes, "Hey, how are you?" I've had a few drinks bought for me before, but then they sort of walk off and I kind of think "Oh, maybe they wanted to talk to me but it's too late now."

Do you think it's because you're super-pretty and they get a bit scared and intimidated by you?

I don't know, but I wouldn't be scared of me. I'd be full of chat. My advice to any *Nuts* reader who fancies a girl is to go and talk to her. If you fancy her, go and have a chat, but don't be cringey. Make her laugh.

What's been the most successful attempt to chat you up?

I like it when guys know that they're nerdy. Oh, you know what happened once – this guy had a stutter and he was, like, "H-h-h-h-h-h-h-h..." when he was trying to chat me up, and I just thought that was the cutest thing in the world.

So you're saying we should pretend we have a speech impediment to impress ladies?

Ha-ha! Yes, just pretend you've got a stutter – it's so cute, yeah. After a while, you might be caught out, though. It could get awkward.

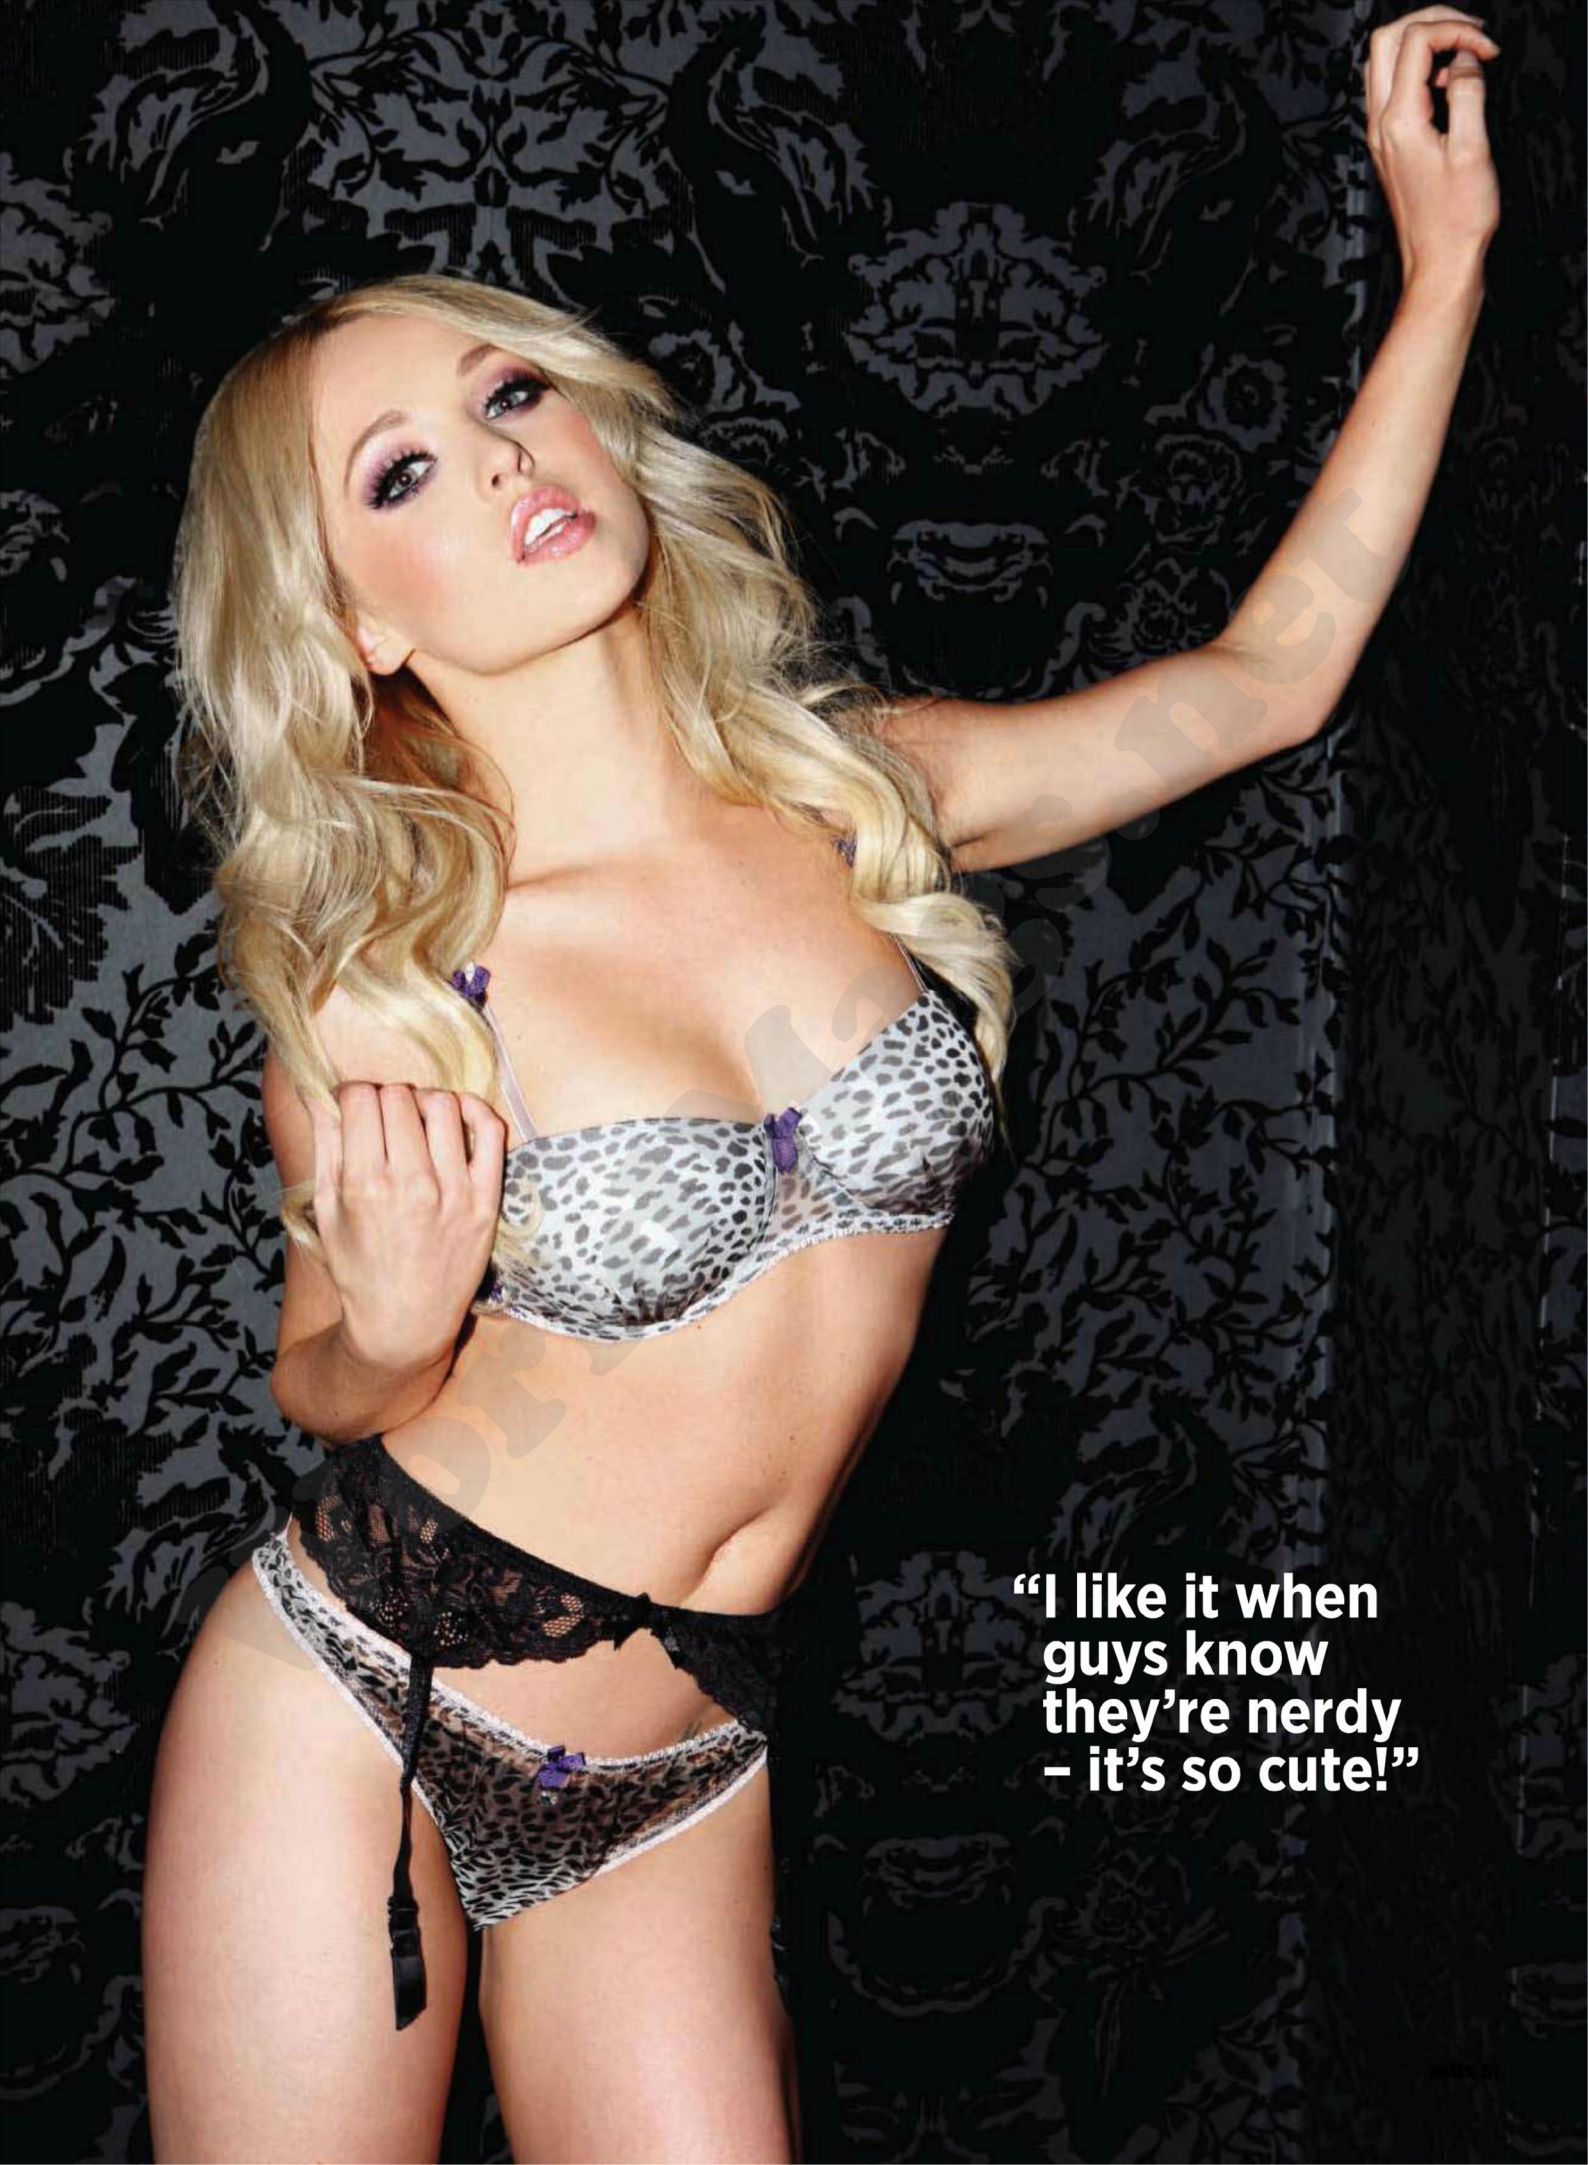

Indeed. So what would you have on your ideal photo shoot?

I'd have a massive showgirl theme, absolutely amazing outfits, sexy girls, possibly loads of glitter. I'd probably spend a lot of money on it. ►

IT'S JORGIE!

**“A night out
with the
Geordie girls
would be
really wild!”**

Or maybe a beach, I've never been abroad on a shoot ever. Can we do a bikini special for *Nuts* next year?

We'll put in a good word. So, would you ever do any other reality shows?

It seems that there's a lot of cool people doing stuff like *I'm A Celebrity*... but I really can't stand bugs and I don't think I could do it. I'd like to think I'd be really happy and excited doing it, but in reality, I'd probably throw-up.

Would you like to go on *Celebrity Big Brother*?

No, not *Big Brother*. I'm not into that. Not for any money in the world. I'd think of my dignity like showering and going to the loo. I'm not saying that people have lost their dignity, but it's not for me at all.

You're no stranger to a night out in Liverpool, so what do you make of the *Desperate Scousewives* lot?

I watched the first series. Er, I don't know what to make of it. But, you know, that's how *TOWIE* started, then people got to love it. The thing is, I live in Liverpool and I have to say I don't see that side of it. I'd never head of the scousebrow until the other night and I've lived here for three years. So it's all new and exciting for me.

Who would you rather go on a night out with - the Geordies, the Scousers, the Essex girls or the Chelsea girls?

Geordies! They're the loveliest of the lot, and you just know it'd be a really wild night.

Thanks, Jorgie. Finally, do you reckon you could introduce an ice-skating story into *Hollyoaks* - especially for you?

For sure. There's a lot of exciting stuff already in the pipeline for this year, but I'd definitely want to show off Theresa's moves. I'll ask the writers!

Suits

DAVE • 9pm

The second episode of this new "yoof friendly" legal drama continues, and while it's not the best thing on TV, it makes for decent entertainment. Elite lawyer Harvey's charges his protégé Mike with filing a patent update. However, Mike screws up the task and then Harvey gets screwed for, er, screwing a judge's wife.

SKY LIVING/HD • 9pm

Poppy Montgomery plays Detective Carrie Wells, a woman who remembers literally everything. Step aside Catherine Tate - Carrie Wells also happens to be the hottest redhead on the box now. Here, Carrie and her partner Al are investigating the murder of a stockbroker. A stockbroker? Ah, forget about it.

SKY SPORTS 1/HD •

City are out of two cup competitions and have wobbled in the league of late. They're a goal down going into the second-leg of this Carling Cup semi-final tie, too, thanks to a Steven Gerrard penalty. If they're not careful, a drama could soon become a crisis.

This week, we're off to the Himalayas, a mountain range that it turns out is much too high for demoiselle cranes to fly over. So, they have to fly through them in a treacherous voyage that sees them targeted by the many birds of prey that live there. Former Doctor Who David Tennant narrates as the feathery beasts swoop and soar.

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'His hands went up my top'

LAST WEEKEND, my boyfriend and I went for a bike ride in the forest. Covered in mud and gasping for a drink, we stopped for a rest. He sprayed me with water, so I ran to hide behind a tree but he grabbed me and we started kissing. It wasn't long before his hand was up up my top, playing with my boobs. This made me horny, and soon he was taking me from behind against the tree. My bum was freezing! Another cyclist whizzed past and rang his bell, and we couldn't stop laughing, so we raced home to warm up properly!

Alys via email

'I stripped off for him'

MY BOYFRIEND'S younger brother turned 19 last week and we took him with some friends to a lap-dancing club in London. His face was a picture as

the girls danced about topless and competed for his attention. We got him a dance and they all sat and watched as I had my very own private show. I'm not sure who blushed more! When we got home, my man's brother fell asleep on the sofa, so I got on top of my bloke and started to dance and tease him like the

girls in the club. I stripped in front of him, leaving just my thong and platform heels on. I then unzipped him and took his whole length in my mouth, teasing and sucking him until he was ready to explode. As I sat in his lap for the final few strokes, I looked over at the sofa and saw his younger brother grinning, with one eye open. Well, it was his birthday!

Clare Essex

'I jumped on top of him'

MY NEW fella and I went to see some men's tennis at the O2 last year. I'd never been before and thought it might be boring, but it was great to see the top sportsmen in action. Midway through the evening, my man asked if I wanted a little fun! Knowing what he had in mind, I followed him out into the deserted corridor. He pulled me in to the men's, where we started kissing passionately, his tongue flying around my mouth and his teeth nibbling down on my bottom lip. He was getting hard so I pulled his trousers down and played with him with both hands. I then pushed him down on to the toilet and jumped on him. Someone walked in, so I placed my hand over his mouth and carried on riding. He came a few seconds later in total silence. We raced back to our seats just in time to see the final game.

Soph London

'He gave me flirty looks'

I FIRST met my current boyfriend in a bar last New Year's Eve. I'd been giving him the eye from across the bar all night and he was giving me flirty looks back. I asked his mate to introduce us and we were soon chatting like old friends over cocktails. We celebrated New Year with a passionate snog and he invited me back to his flat for a drink. As soon as we got through the front door, we ripped each other's clothes off and started pleasuring each other. He gave me great oral and I repaid the favour with my best blow job technique. By the time we were ready to do it, I was begging for him to penetrate me. My whole body tingled at his touch – I've never felt so sensitive in my life. And we haven't been apart since!

10 RUDE QUESTIONS!

And a real girl to answer them!

Steph

20 Keighley

1 Where's the strangest place you've had sex?

"It would have to be on a car bonnet. It's a classic!"

2 What's your trademark move in the bedroom?

"I like to be on top so I can take control, thrusting my hips and showing him a good time. It's also a better view for us both!"

3 What really turns you on?

"I really love it when a guy talks pure filth to me!"

4 What's your favourite position?

"Doggy style! Us girls all love doing it that way."

5 Is it better to give or receive?

"Both! I like to receive just as much as I like to give him pleasure."

6 What one thing would you really like to try but haven't yet?

"Sex in the toilets of a plane. I think the thrill of possibly getting caught would be such an adrenaline rush!"

7 Ever got it on with another girl?

"Yes, many times. I've snogged my besties while on a girls' night out!"

8 What's your role-playing costume of choice?

"I have so many that I don't think I'd be able to choose. Every time I'm out, I always buy a new one to try out. I love them!"

9 Have you ever made a sex tape?

Joey Barton's Twitter feuds!

The cyber warfare that brought Joey a million followers!

➔ **HE ONLY** joined Twitter eight months ago, but @Joey7Barton's strong opinions have already brought him enough strife for a lifetime! As QPR's captain celebrates reaching a million followers, here are the spats and squabbles that have made the straight-talking Scouser Britain's top tweeting footballer...

Joey vs... The X Factor

It's fair to say Joey isn't a massive fan of Simon Cowell's talent show – he certainly didn't rate the 2011 line-up!

JOSEPH BARTON Joey7Barton

If I was a judge on here, I'd simply say, Nah you're all dogs mess, now go and live in isolation for eternity. Glorified karaoke this is....

Joey vs... Mario Balotelli

Barton affectionately nicknames the City striker "The Renegade", but is hardly sympathetic to the Italian's cause!

JOSEPH BARTON Joey7Barton

Some of The Renegade's stunts are the ultimate in lunacy. How do you manage such a complex person?? #loon

Joey vs... Geordie Shore

Despite living in Newcastle for four years, Joey isn't down with the city's most famous reality TV programme!

JOSEPH BARTON Joey7Barton

Just seen Geordie Shore for the 1st time... all I can say is... #HELMETS

Joey vs... Colin Montgomerie

An avid watcher of most sports on the box, Joey takes issue with the former Ryder Cup captain's golf punditry!

JOSEPH BARTON Joey7Barton

Monty talks some pony on Sky, he's like a real-life David Brent

Joey vs... Mick McCarthy

After Barton stars in QPR's victory at Wolves, losing boss Mick McCarthy claims he snubbed Barton in the transfer window, which is news to Joey!

JOSEPH BARTON Joey7Barton
"Wolves snubbed me" I read in this morning papers hahahahahaha... don't know what Mick's been smoking. #hesoffhisbarnet #porkypies

Joey vs... Michael Owen

Michael Owen's questionable outfit on *Match Of The Day 2* gives Barton ammunition to let rip at his former team-mate's dress sense!

JOSEPH BARTON Joey7Barton
@themichaelowen very Gary Neville like barnet tonight Mo, how comes u borrowed 1 of Lawro's shirts?

Joey vs... Arsenal fans

Barton went to the Emirates with QPR on New Year's Eve. It's fair to say he wasn't too impressed by the home supporters!

JOSEPH BARTON Joey7Barton
Thanks to Arsenal fans for giving me a lovely reception then disappearing. Paul Daniels would have been proud of that trick. #60kinachurch

Joey vs... Lee Dixon

Joey is far from impressed with the *Match Of The Day 2* team, so calls for their heads!

JOSEPH BARTON Joey7Barton
Going officially on record as saying Lee Dixon is crap on Mtd. Hansen is brilliant. Dixo and Colin Murray are really bad! P45s please

Joey vs... the *Towie* cast

This outburst came after Joey bumped into the cast at a press event in London.

JOSEPH BARTON Joey7Barton
I actually despise the whole of that firm, mentally deficient, turn up at the opening of an envelope, fame hungry, prized ball bags. #TOWIE

Joey vs... Joey Barton!

Joey even manages to have a pop at himself on Twitter, after getting frustrated playing *Football Manager 2012*!

JOSEPH BARTON Joey7Barton
Just had my 1st argument with myself on FM 2012. Gonna have to quit, cos am doing my own head in.... #haha

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Woo-hoo! I'm the new Rangers gaffer!"

Gareth found that gurning improved his passing

Sparky a strange one for QPR!

Did Hughes leave Fulham for a relegation scrap?

I FIND QPR's appointment of Mark Hughes a little baffling. The Welshman left Fulham because he wanted to join a bigger club with loftier ambitions, but now finds himself managing a team that are looking like relegation candidates.

I can only think Sparky must have been given firm assurances by club owner Tony Fernandes that he'll have a decent amount of money to rebuild the team during the transfer window. And if they can attract the likes of Chris Samba or Alex to Loftus Road, the Rs will have an excellent chance of beating the drop.

That said, I feel sorry for Neil Warnock. He was doing a cracking job at QPR and deserved more time than he was given. Unfortunately, though, as soon as the new owner took over, the writing was on the wall for him.

Come back soon, Neil – we'll miss your ref rant!

Spurs can win the league!

NO ONE really believed it at the beginning of the season, but Tottenham are definite title contenders. They've been in fantastic form recently and are playing some lovely stuff. Harry's boys are full of pace, power and venom and probably have the best team spirit in the league right now.

Just look at that midfield of Bale, Modric, Van der Vaart, Parker and Lennon. All fantastic options who can really hurt teams.

I can't wait till they face Man City at Eastlands – I've got a feeling it's going to be a humdinger of a match!

● Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

TERRIFIC THIERRY!

Thierry Henry has made an immediate impact at Arsenal. As soon as he came on against Leeds, the script was written – he was always going to score!

UNBELIEVABLY BAD!

VILLAINOUS VINCENT!

Vincent Kompany's suspension couldn't come at a worse time for Man City. They're already missing Yaya Toure and have some big games coming up.

THE BIG MATCH!

The conga didn't work with only two participants

Carroll needs more time

I FEEL for Andy Carroll. He's really struggling to make an impact at Liverpool and he looks so short of confidence. One thing you don't get when you have a huge price tag on your back is time. The lad is only young and has moved away from his hometown. He hasn't been able to replicate his Newcastle form but I'm sure he'll turn it around given the chance. Come on, Andy, you can do it!

"Sorry, Kenny,
I'm not shaving
till I score"

Arsenal vs Man United

SUNDAY 22 JAN, 4PM •
Sky Sports 1/HD

A tough match to call. Man United are on a high after knocking "noisy neighbours" Man City out of the FA Cup and I expect them to carry that momentum through to the Emirates. I can see Fergie's boys snatching all three points on Sunday.

KAMMY'S PREDICTION: 1-2

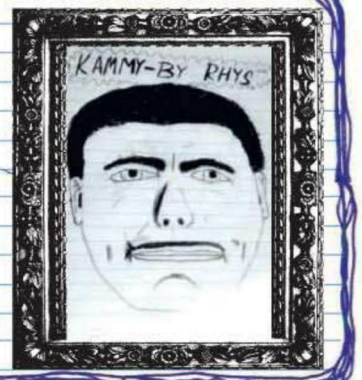

Key man

Paul Scholes' comeback was a massive surprise. I think he may start against Arsenal. His return could free Rooney to move further forward.

DRAW KAMMY!

RHYS LEDINSZKI sent in this fantastic sketch of me. I particularly love the attention to detail, especially my pencil-thin 'tache. Unbelievable stuff, Rhys!

MAN CITY VS SPURS SPECIAL!

Balotelli: 'I'm not crazy!'

Super Mario on the title race, Roberto Mancini and his crazy reputation!

➔ Hi Mario! Is it fair to say you're one of the most notorious Premier League players?

This reputation comes from the newspapers. There's exaggeration in much of what the English press say. If you believed everything, you'd think I'm a monster.

So, what's the truth?

I'm a young man who makes mistakes sometimes. I came here from another country and have found myself lonely at times. But I'm not a crazy person!

Are you homesick?

Yes, I've missed my home, but I think I've done well. I hear people think I'm always angry. This isn't true. I like to laugh, joke, be happy – ask my team-mates. On the pitch, I'm smiling inside even if I don't show it. Maybe I'm a good actor!

How do you cope with being the centre of attention?

It's not easy. I'm a private person and don't like the games that come with being in focus all the time. There are untruths that come from people who I've never even met or spoken to. I'm no angel, but this situation is a problem.

What do you do to unwind?

I stay at home and play video games. Then I may go out and eat or do some shopping. All very boring!

Any truth in the rumours you'd like to return to Italy?

Rumours may sell papers but rumours are not truth. I'm under contract with Manchester and this is the end of the matter. This is a club with huge ambition, and I'm ambitious, too.

What's City boss Roberto Mancini like to work for?

All players require a coach who knows how to get everything out of the team, but also individuals. We have this here. For me, he's been incredible. He's the most important coach in my career. If there was another manager, I wouldn't be here.

How good can City become?

I have faith in this group. We have the players to win the league this season and become the top side in Europe. This isn't about trying to sound big – it's what I believe in my heart.

And can we expect more bonkers Mario Balotelli headlines in the future?

I hope not! If I did the things people say, I'd be crazy, but I'm not. I'm normal and maybe people will speak about me for the football rather than the other things. I believe I can be one of the best players if I work hard. I have to believe it'll happen. Maybe people will soon write about Mario the footballer rather than Mario the mad man!

"I still can't believe I missed out on those cheap Mini Eggs at Tesco"

"Damn, I forgot to use deodorant. Best not lift my arms till half-time"

Parker: 'I'm playing my best football!'

Midfield dynamo on Spurs' title challenge and Euro 2012!

Hi Scott! How good is this Spurs side?

I knew coming to Spurs was going to be a step up, but I didn't realise how good the squad was. Everywhere you look, there are quality players and goals, but we haven't achieved anything yet.

Can Spurs win the title?

Top four is the target and then we'll go from there. We've got our heads screwed on, so we'll keep plugging away. No dramas.

How do you see your role?

Keep it simple. I'm in that defensive midfield role, so I try to read the game, close

down the opposition then give the ball to the likes of Luka [Modric], Rafa [Van der Vaart] and Gareth [Bale]. It's a role I've learnt over the years.

But hasn't tackling gone out of the game?

You certainly have to be more careful, but there's still room for having that fire in your belly. A good early tackle gets everyone going.

Does it frustrate you that at 31, the plaudits are late arriving?

I've always had to battle. Whether it was my style of play or just something about how I carried myself, some managers didn't fancy me. Maybe it was because as a younger man

I was a worrier. I've grown in confidence, which has come from playing well last season. Getting the [Football Writers'] award also helped – so too being involved with England.

It's been a turnaround. you're now a mainstay for England!

I've been in and around England squads for years, but could never seem to get over that last hurdle. I've finally done it and now believe I belong as an England player.

Can you maintain your all-action style of play?

Too much is made of age, I reckon. The game has moved on in terms of fitness, nutrition and how players look after

themselves, so you can extend your career.

Can you play on beyond this four-year contract?

Why not? I've improved season by season and now I'm playing my best football.

Any thoughts on how England will get on in Euro 2012 this summer?

I can't wait! It'll be my first tournament, if selected. We know it'll be tough, but whatever happens, I'll be proud to represent my country, like I always am!

● *Man City vs Spurs is on Sky Sports 1/HD on Sunday 22 January at 1.30pm*

Nuts ABOUT SPORT!

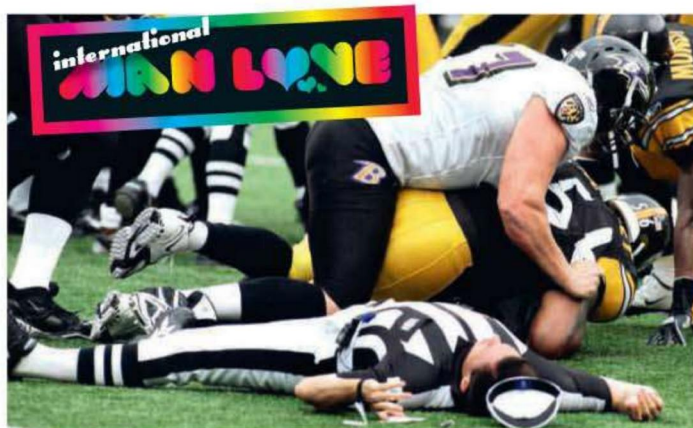

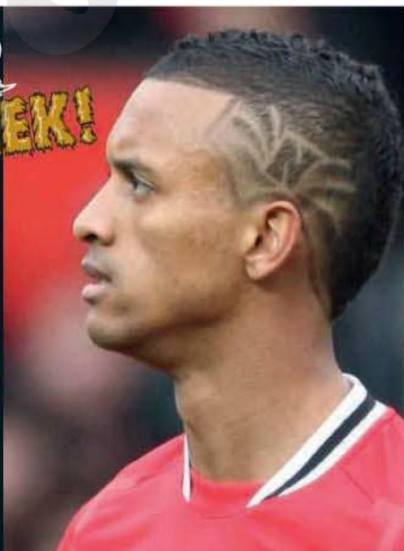

Funny goings-on in the wonderful world of sport!

Why you'd provoke an angry bull is beyond us. This is one of 300 participants who chanced their arm in the **ANNUAL BULLFIGHT FESTIVAL** in San Jose, Costa Rica. Bad idea!

WORST HAIR OF THE WEEK!

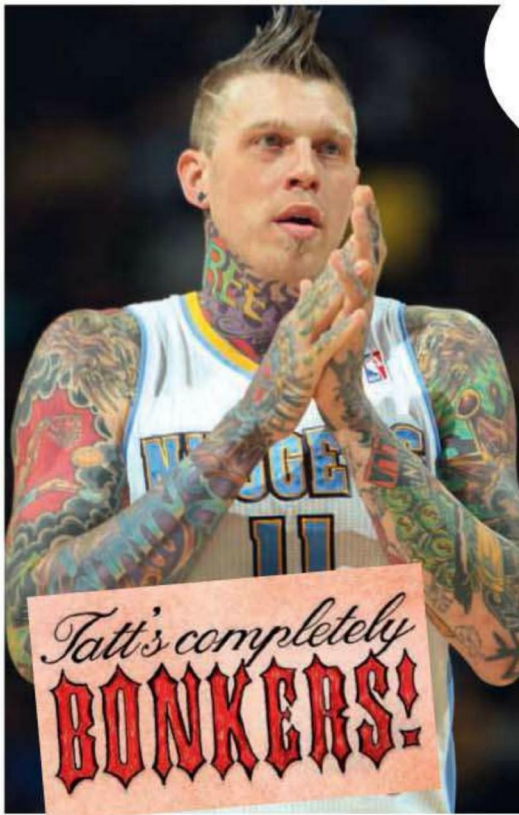

Oh dear lord, **NANI**, no! Man United's Portuguese wing wizard looks like a real plonker sporting his latest barnet. Mind you, it's probably a handy reminder in case the football trickster forgets how to spell his name.

The referee is so shocked by this spontaneous bout of man nookie that he's fainted on the spot. Pittsburgh's **LAMARR WOODLEY** and Baltimore's **MATT BIRK** should really get a room.

"Quote me on that!"

This week's biggest match debaters!

We're huge fans of Denver Nuggets star **CHRIS ANDERSEN**. He's somehow managed to fit in even more tattoos. He looks like an absolute nutter!

"I like to start off the morning with a urine test"

Don't ever stay round at Big Sam Allardyce's.

"My partner kept shouting, 'Tuck that fanny in!' It was only later I realised he meant my bottom!"

Skier Chemmy Alcott doesn't know her bum from her other bits.

"There was too much space in that space"

Spaced-out stuff from Gareth Southgate.

"We ended that season on a high – apart from the last game that we lost"

Not so high then, David Beckham.

"I don't care about the run of defeats, but I'm concerned about the lack of points"

That's the same thing, Roberto Martinez.

"Millions of women lust after me and have my picture on their bedroom walls"

What planet is racing bloke John McCririck on?

Aren't slam-dunks supposed to look really cool? New Jersey Nets' **SHELDEN WILLIAMS** shows us how not to do it.

OO-ER SOUNDS A BIT RUDE CORNER!

"At Man United, they play with balls flashing everywhere"

Phil Thompson on the flashers at Old Trafford.

"The press want to come back home and sleep with you"

Thierry Henry prepares to open up to the world's media.

"Phil Jones is one of those who's definitely going to come"

Charlie Nicholas thinks the big man's excited.
